

Personal Lines Automobile
(Alberta and Yukon)
Express Consent

Policy / Submission Number(s): _____

I am providing my express consent to **The Wawanesa Mutual Insurance Company** ("Wawanesa") to the collection and use of my personal credit information for the purpose of offering a credit score discount on my automobile insurance policy. I understand that when credit information is used for insurance rating purposes, a 'soft credit inquiry' is made that will not impact credit score. I understand that with my consent, Wawanesa may obtain my credit information from a recognized consumer reporting agency. Furthermore, the consent to collect and use my credit information remains valid to update my premium upon each renewal of my automobile insurance policy.

By providing my consent to the collection and use of my credit information, there is no guarantee that my premium will be reduced.

By providing verbal or written consent, I am providing express consent to the broker to sign on my behalf.

I may withdraw my consent at any time by contacting my broker or Wawanesa. However, by withdrawing my consent I understand that I may not qualify for a credit score discount.

If I withdraw my consent, or choose not to provide my consent, I understand that Wawanesa will not decline or cancel products or services for that reason or impact my ability to make claims under my automobile insurance policy.

If I have questions or require a copy of the Personal Information Protection Policy, I can contact my broker or email Wawanesa directly at privacy@wawanesa.com.
